

Presenters...

Bob Cleveringa, Director of Youth Ministry for the Synod of the Heartland and a developer of Leaders on the Horizon (LOH), will present the LOH process.

Leaders on the Horizon is a **youth** leadership development process developed jointly by three RCA Synods, including the Synod of the Heartland office of Youth Ministries. The process includes character development, biblical knowledge, leadership skills and small group accountability, enabling a young person to minister in their youth group, church and community as they move through their high school years and beyond.

Randy Reese will introduce Vantagepoint3, a leadership development resource for **adults**.

Randy oversees the overall vision, strategy, and implementation of VANTAGEPOINT3. His responsibilities span operations, training and design. Randy completed his Doctorate of Missiology at Fuller Theological Seminary. He is the co-author with Keith Anderson of *Spiritual Mentoring: A Guide to Seeking and Giving Direction* (IVP, 1999). And best of all, he is Canadian!
